Pershing's Affiliate, iNautix Technologies India Private Limited, Receives Top 25 Ranking in Best Companies to Work For Study in India

CHENNAI, INDIA, June 10, 2009 – iNautix Technologies India Private Limited, an affiliate of Pershing LLC and The Bank of New York Mellon Corporation, announced today that it has been selected by the Great Place to Work[®] Institute, India, in partnership with *The Economic Times*, as one of India's Best Companies to Work For in 2009.

The Great Place to Work Institute is a pioneer in studying and recognizing best workplaces around the world. It has conducted studies in 40 countries for more than 20 years to help identify and understand characteristics of the best companies. Organizations are selected for the Great Place to Work Institute's Best Companies lists primarily on the basis of their employees' responses to questions relating to the levels of trust, credibility, respect, fairness, pride and camaraderie within their workplace. More than 375 companies registered to participate in the 2009 India study making it the largest such study in the country.

Suresh Kumar, chief executive officer of iNautix Technologies India Private Limited, said, "It is an honor to be recognized by our associates and the Great Place to Work Institute as one of India's best companies to work for. Providing our associates with a workplace environment that fosters individual development and organizational growth is a critical component of our firm's culture that will continue to help shape our company's and our customers' long-term success."

iNautix Technologies India Private Limited provides technology services, business and technology operations and remote infrastructure management services for its affiliates, Pershing LLC and The Bank of New York Mellon. iNautix also develops and delivers comprehensive technology solutions and software development capabilities for customers of Pershing and The Bank of New York Mellon. Additional information is available at www.inautix.co.in.
